PROSPECTUS

PROSPECTUS

Late Anup Kumar Ghosh **FOUNDER**

His aim to setup this institution is to see our students:

Understand the better & higher quality of life.

Promote social awareness.

Fight for the right without question or cause.

Develop skills to respond to emergencies.

Mrs. Saswati Chattopadhyay **PRINCIPAL**

“Education is not preparation for life, education is life itself”, Stated John Dewey. Future Gems Academy concurs on the magnitude of this statement and strives to impact the lives of the students under its fold with positive and transforming learning experiences. The holistic intervention in education is imperative at every growth phase of the student. We are thus constantly striving to provide a conducive environment to create a balance in the academic, emotional, spiritual, creative and physical development of student.

Mrs. Soma Ghosh Pal **MANAGER**

Future Gems Academy, with over 15 years of excellence in education has always aimed at providing the best quality. We aim to develop a future generation that takes pride in our heritage and culture, and also turn into excellent professionals and achievers. It is with this aim of offering brilliance to our

students that we at FGA provides a free environment to young kids where in they can grow, learn and practice to their potential, imbibing in them the cultural benevolence, exploring latent talent and developing a strong respect for our culture and Nation. The school, next to the family, takes special responsibility in equipping children with the right attitude and skills that would help them become winners.

OUR VISION

To prepare dynamic and caring citizens to meet the challenges of a global society while retaining their traditional values and fine cultural heritage.

OUR MISSION

We aspire to make our students' future excellent by developing a thirst for knowledge which leads to discovery for enrichment of individual and the community at large.

ABOUT FUTURE GEMS ACADEMY

Future Gems Academy, the brain child of our founder president Late Anup Kumar Ghosh was founded with a view to disseminate the light of knowledge among the children of all section of society. Far from the madding crowd, the school is nestled in a pollution free, idyllic, lush green lap of nature at Sanjua, Bakhrahat.

Our students without any discrimination are allowed equal access to on campus facilities which are as follows-

- Well equipped computer lab with internet facility help students to acquire more knowledge.
- Separate Physics, Chemistry, Biology, Geography and Math Labs.
- Separate rooms for art, music and dance.
- State of art facilities for indoor and outdoor games.
- Smart classes which help teachers to deliver lectures more effectively for their better learning experience.
- A fleet of Carpool for safe passage of each child to the school and home ensures maximum safety of our students.
- CCTV surveillance increases safety and security.
- Regular counselling improves self-esteem and self confidence.

Separate lab facilities are there in our school building for different subjects. The approach is hand-on and activity based, allowing students to acquire a deeper understanding of the subject.

To facilitate easy movement of the student, school provides buses and car as per conveyance of the students. The transport covers towns and villages.

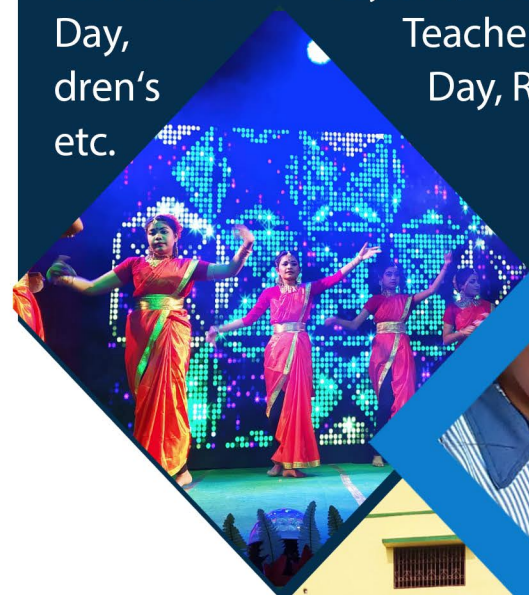

We offer training in Music, Dance, Art and craft and Computer to enhance the extra-curricular activities for the students.

Smart class facilities are there. A smart class room provides the students and teachers with virtual interactive sessions, access learning, performance based assessment and developing students' abilities and performance.

To encourage the students we organise different kinds of cultural programs like Annual Concert, Rabindra Jayanti, Independence Day, Teachers' Day, Children's Day, Republic day etc.

There is a well-stocked library in the school that includes periodicals, journals magazines newsletters, fiction, reference books and encyclopaedia

To keep the students physically fit and to develop their skills in sports we organise inter-house competitions in Foot Ball, Basket Ball, Volley Ball, and Badminton. These competitions prepare them for the challenges of this competitive world.

To enhance the thinking power
and to increase their patience they
get the chance to play Chess, carrom, Yoga
etc.

Green and Pollution free
environment helps them to be
healthier lives and children can grow in

We celebrate Children's Day in a grand way, We arrange Food Feast, different Rides, quiz competition and Go as you like competition for the children.

We have a committee for protecting the child from sexual harassment. Both the teachers and students are involved in this committee so that any student can convey their message without any hesitation.

The students of eco-club maintain School Garden with the help of teachers. We organise several activities on tree plantation and celebrate Environment Day.

To enrich the knowledge of the students we organize several competitions such as Quiz, Debate, Drawing, Essay Writing, Story Telling, Fancy dress competition etc.

We provide the students airy, well furnished and spacious class rooms that they can learn their subjects comfortably and with full concentration.

WHY FUTURE GEMS ACADEMY?

Future Gems Academy, Sanjua is affiliated to internationally approved “Central Board of Secondary education (CBSE),” (New Delhi).

At Future Gems Academy Sanjua, we provide an effective framework for education through a relevant, broad, balanced, rigorously-taught and monitored curriculum. We place great importance on educating the “whole child” at their individual level of ability and potential to ensure a happy learner.

Through a holistic approach towards learning we aim to provide our students with:

Requisite knowledge and skills that every child has a right to learn.

Learning environment enables them to learn in a balanced manner, which makes them competent enough to face the challenges & fulfill their diverse needs.

High level thinking skills which will help them tackle many of the moral, social and cultural issues which are part of growing up.

An environment which allows interaction with peers and assists in development as a social system. Summative and formative assessments and continuous feedback for improvisation in the learning process.
